Professional Summary

Junior Full Stack Developer with practical experience in building scalable full-stack web applications. Skilled in MongoDB, Express.js, React.js, and Node.js with a strong foundation in JavaScript, REST APIs and database design. Demonstrated ability to develop end-to-end solutions from concept to deployment, with focus on clean code and responsive design. Passionate about problem-solving and continuously learning new technologies. Seeking a Junior SDE role to contribute to innovative products and grow within a collaborative engineering team.

Education

K.S.R. College of Engineering

Bachelor of Engineering in Computer Science and Engineering

Tiruchengode, India

2022 – 2026

NSMVPS Higher Secondary School

Higher Secondary (Computer Science)

Devakottai, India

2021 – 2022

Experience

Rejola IT Services

Web Development Intern

Jun. 2024 – Aug. 2024

Remote/On-site

- Developed responsive web pages using HTML, CSS, and JavaScript for diverse client projects.
- Optimized front-end components and assets, resulting in a 30% improvement in page load speeds.
- Collaborated with team members to transition concept designs into interactive, production-ready interfaces.

Projects

Handwritten Digit and Character Recognition | Python, TensorFlow, OpenCV, Streamlit

- Implemented an end-to-end recognition system using Convolutional Neural Networks (CNN) to achieve high predictive accuracy compared to traditional machine learning models like KNN and SVM.
- Developed an interactive real-time validation application using Streamlit to serve predictions directly from user inputs.
- Utilized advanced computer vision preprocessing pipelines via OpenCV to isolate features and enhance input image structures for optimal prediction accuracy.

Technical Skills

Languages: Java, JavaScript, SQL, HTML, CSS, Python

Frameworks & Libraries: React.js, Node.js, Express.js, Spring Boot, TensorFlow, OpenCV, Streamlit

Databases & Tools: MongoDB, MySQL, Git, GitHub

Languages Known: Tamil (Native), English (Professional Working Proficiency)

Certifications

NPTEL Elite Certification - Introduction to Industry 4.0 and Industrial Internet of Things | IIT Kharagpur

Jan. 2025 – Apr. 2025

Secured Elite credentials with a 67% final score, highlighting an engineering foundation in IoT architecture with an assignment average of 24.78/25.

Leadership & Activities

National Service Scheme (NSS)

NSS Volunteer

2022 – 2024

K.S.R. College of Engineering

- Led 5+ structured community service initiatives including local blood donation camps and environmental tree plantation drives tracking over 100+ saplings.
- Coordinated and guided a focused squad of 20 volunteers to host informational rural awareness workshops centered on digital literacy.

Annual Sports Meet

Department Carrom Player

2023

K.S.R. College of Engineering

- Represented the Computer Science Department in competitive matches, demonstrating strong tactical planning and adaptive decision-making skills.
